Pakistan has gone even beyond its limits. This is a clear betrayal by Pakistan, it transports oil through the Strait of Hormuz under Pakistan's name and then sells it to our enemies. We trusted Pakistan because it is a Muslim country, but they betrayed us.

Abbas Araghchi says Pakistan has crossed its limits.

He described it as a clear betrayal, claiming that Pakistan allowed its flag to be used on U.S. vessels and facilitated the transfer of oil through the Strait of Hormuz to Iran's enemies.
